

We are forwarding this letter from the Mount Sinai OCD and Related Disorders program to our web visitors:

“Dear Colleagues,

I am delighted to announce that the Obsessive-Compulsive and Related Disorders Program at Mount Sinai continues to offer two FREE summer programs for children with OCD. In order to determine eligibility for the programs, a consultation with a child psychologist will be completed at no-cost. See below for specific programs.

OCD Day Camp at Mount Sinai

Who: Children ages 9-12 years

When: July 24-28, 2017; 10am-3pm

Where: 1425 Madison Avenue, Icahn School of Medicine at Mount Sinai

Cost: FREE

Group CBT for Pediatric OCD

Who: Children ages 8-12 years

When: Summer (starting June/July); Wednesdays 5pm-6:30pm

Where: 1428 Madison Avenue at 99th Street, Icahn School of Medicine at Mount Sinai

Cost: FREE

Upcoming CBT for OCD group: Fall 2017

For more information about our child CBT programs, please contact the Mount Sinai OCD and Related Disorders program at [212-659-8823](tel:212-659-8823), visit our website www.mountsinaiocd.org, or feel free to contact Dr. Ariz Rojas at ariz.rojas@mssm.edu.”
